The orders under which the stamp papers are purchased with the seal of the treasury (Asst.) of course is not traceable. Under standing orders no bill of the nature could be passed by the treasury or Collector unless each stamped paper with the official seal affixed for the purpose by the Board before issuing it for sale or use. But this rule has been relaxed in the case of Court fee stamp papers (vide para 274 of the Mysore Stamp Manual Vol. I). This rule applies to both General stamp papers as well as Court fee stamps. Proceedings of the Goernment of His Highness the Maharaja of Mysore, Financial (Separate Revenue), dated 9th January 1909.

No. Fl. 2999-3008—S. R. 53-08-3, dated Bangalore, 9th January 1909.

Order.—While sanctioning the refund of the value of a Court-fee stamp, recommended by the Deputy Commissioner, Bangalore, Government observed that the stamp paper had not been impressed with the seal of the treasury of issue and enquired of him as to why the seal was not affixed to the stamp paper. The Deputy Commissioner reported that it was a long standing practice in his district to impress with the treasury seal only the general and not the Court-fee stamp papers. The Commissioner of Stamps, who was consulted in the matter, states that the practice in all the districts, except Chitaldrug, is to affix the treasury seal only to general stamp papers and that in his opinion, both the general and court-fee stamp papers may with advantage be marked with the seal of the District Treasury before they are issued for sale or use. Government agree with the Commissioner and direct that his suggestion be adopted.
